From the Pastor's Desk

Change, one of the few constants in life. Change is all around us. Human nature finds conflict in change, we don't like it. But change need not be negative. Change affords opportunity, and we can take anxiety around change and turn it into excitement.

We celebrate change in the Indiana Conference of the United Methodist Church. We have a new Bishop. We will see a reorganization of our districts as the total number of districts is reduced. (Don't worry, we are not changing districts AND our conference superintendent will remain the same.)

It is exciting to see how God is changing our local church too. We eagerly anticipate where God is leading us as we continue to build God's kingdom by bringing Jesus Christ to our community. Keep in mind that as our world changes, we worship the God who is the same yesterday, today, and forever.

Be blessed and be a blessing.
